35TH ECONOMIC FORUM

September 8-10 2026, Karpacz

Warsaw, April 24, 2026

Dear Sir,

The Economic Forum, organised by the Foundation Institute for Eastern Studies, is the biggest conference in Central and Eastern Europe. For more than 30 years it has been attracting political, economic and social leaders from all over the world.

The unique climate of the event fosters the development of cooperation between EU Member States and their neighbours. Important declarations are made at the Forum every year, which is why the debates are followed with the greatest interest by media from all over the world, and their echoes resound in expert and political circles long after the Forum ends.

This year's 35th edition of the Economic Forum will be held on September 8-10, 2026 in Karpacz under the theme: *'Architecture of The New Order – Stability in Times of Change'*.

I would be honoured if you accepted our invitation to contribute as a speaker to one of the Forum's debates:

Rebuilding Ukraine: Europe's Largest Economic Project Since 1945

I remain hopeful that the brand of the Forum and its content will convince you to accept our invitation.

Yours sincerely,

Zygmunt Berdychowski

Chairman of the Economic Forum Programme Council
