Dear President Këve,

*Dear V'ilm*

On behalf of the Constitutional Court of the Republic of Kosovo and on my own behalf, I would like to express my sincere gratitude for the warm welcome and generous hospitality extended to our delegation during our study visit to Tartu earlier this month.

Our visit to the Supreme Court of Estonia was an excellent opportunity to become better acquainted with your Court and with Estonia's system of constitutional review. We particularly appreciated the opportunity to learn more about the work of the Constitutional Review Chamber and, at the same time, to present the constitutional system of the Republic of Kosovo and the work of our Court. Such exchanges provide an important opportunity to better understand each other's legal systems and judicial practice.

I would also like to thank you personally for the time you devoted to our delegation and for the welcoming atmosphere throughout our visit. The openness with which we were received and the opportunity to meet with members of your Court made our stay in Tartu both professionally rewarding and personally memorable.

I am confident that our recent meetings have further strengthened the relationship between our institutions. I sincerely hope that we will have the pleasure of welcoming you and your colleagues to the Constitutional Court of the Republic of Kosovo in the future and of continuing the dialogue that began during our visit.

Please accept my sincere thanks once again, together with my best wishes for your continued success and for the future work of the Supreme Court of Estonia.

Please accept, Mr. President, the assurances of my highest consideration.

Yours sincerely,

*Nexhmi Rexhepi*
