Dear Mrs. Kalda,

I have received your letter No. 2-7/26/206-3 dated 02.02.2026.

I'm sorry to read that there is no possibility of an additional deadline for fulfilling the contract. If there should be still a chance I'd like to visit you to explain my position more in detail.

If it stays at your decision to terminate the contract I propose a payment plan as follows: 25% end of May 2026, 25% end of June 2026, 25% end of October 2026, 25% end of November 2026. In this case I also kindly ask you to refrain from interest payments. As I have already stated in my last letter it is not possible to refund the complete amount right now.

Best regards

Marcus SPIELMANN
