Dear NFPs and alternates for Tissues and Cells,

We are pleased to invite you to save the date for a hands-on training
session in EpiPulse. Please note that this is not a formal invitation but
only serves the purpose of saving the date. More information and links to
the meeting will be shared closer to the event.

You only need to attend one hands-on training session. If you cannot
attend the session for your network group, you may attend any of the
other training sessions.
Please refer to the information about the other dates sent in a separate
email.

To help us plan the sessions, we will contact you closer to the meeting
date to confirm your participation.

Please feel free to reach out to if you have any questions.

Kind regards,
The ECDC SoHO team
