

Appendix 2: Expected Outcomes of the Consortium (36–48 Months)

The International Consortium "Kyivan Rus: Shared Heritage" aims to achieve ambitious results within 36–48 months, promoting heritage preservation, academic collaboration, and Ukraine's international recognition. The key objectives with details are as follows:

- **≥30 international academic publications (Scopus/WoS)**

- ✓ *Publication of at least 30 articles in Scopus/Web of Science journals on the history, culture, and archaeology of Kyivan Rus.*
- ✓ *Outcome: Enhancing the prestige of partners and engaging young researchers in the academic community.*

- **≥650 digitized objects in an open archive (integrated with Europeana)**

- ✓ *Creation of an archive containing over 650 objects (frescoes, manuscripts, artifacts) integrated with Europeana.*
- ✓ *Outcome: Preservation of cultural heritage and ensuring 120,000 annual views of the archive.*

- **≥130 participants in academic mobility programs**

- ✓ *Exchange of over 130 students and faculty from various countries, including semester-long internships and seminars.*
- ✓ *Outcome: Training of qualified personnel and expansion of international networks.*

- **≥7 restoration projects**

- ✓ *Restoration of 7 objects, including frescoes of Saint Sophia Cathedral, with the involvement of experts (Louvre, Cluny Museum).*
- ✓ *Outcome: Restoration of monuments and their transformation into tourist attractions.*

- **International exhibitions in ≥20 countries**

- ✓ *Organization of exhibitions in over 20 countries featuring artifacts and artworks.*
- ✓ *Outcome: Attracting 300,000 visitors and promoting cultural diplomacy.*

- **Engagement of ≥20 new international partners**

- ✓ *Partnership with over 20 institutions from Europe, Asia, and the Americas.*
- ✓ *Outcome: Creation of a global network for the project's sustainable development.*

- **Audience reach of ≥500,000 views through campaigns and media**

- ✓ *Campaigns with Euronews and local media to achieve over 500,000 views.*
- ✓ *Outcome: Increased awareness of the project and strengthening Ukraine's image.*
