Olga Hartšuk, based in Tallinn, has been working internationally in the film industry since 2018, with her recent years spent as a part of the Pan Baltic independent production company Nafta Films, contributing to projects such as 'Dawn of War,' 'Melchior the Apothecary,' and 'The Knocking.' The latest release she was involved in with Nafta Films, 'Totally Boss,' won the Just Film competition

Children's Jury Award for Best Film in 2023. Olga is a member of EUROPEAN WOMEN'S AUDIOVISUAL NETWORK.

Prior to her work with Nafta Films, Olga spent over 10 years as a TV Producer, showcasing a strong track record in TV shows, documentaries, and globally recognized TV formats. In addition to her practical experience, Olga has combined her knowledge with Sustainable Production, focusing on pioneering this topic in the Baltic States. She has recently embarked on studies in Film Business and

Law at the Erich Pommer Institut.

Olga is focusing on co-production, production and financing of feature films, drama/tv-series and documentaries/documentary series.
