SAVE-THE-DATE

Dear Colleagues,

We are pleased to inform you that the EUnited in Diversity IV Conference on “Building Democratic Synergies in a Common Legal Order” will take place in Rome on 2 and 3 September 2027.

We plan to start with an informal welcoming reception in the evening of Wednesday 1 September 2027. After the formal opening of the conference on Thursday 2 September 2027, there will be four panel discussions on Thursday and Friday. The closing of the conference will take place on Friday 3 September 2027 late afternoon.

This follow-up conference is intended to serve as a forum to continue the judicial dialogue on how to balance the unity and diversity dimensions of European Union and national constitutional law. A delegation of two Judges from each Constitutional Court or other equivalent national court of the Member States of the European Union is invited, as well as participants from the Court of Justice of the European Union.

We kindly invite you to save the dates in your diaries. A formal invitation will be sent out at the latest by the beginning of October 2026. The organisers will cover the costs of receptions and meals included in the programme. Delegations are requested to cover their own travel expenses as well as the hotel stay. Due to hotel reservation requirements, registrations will have to be submitted by the end of 2026 using the hotel booking link that will be provided in the official invitation.

Furthermore, we kindly invite you to participate in a videoconference which we will host on Monday, 15 June 2026, at 11 am (Rome/Luxembourg time), in order to present to you the themes we intend to examine during the panel discussions at the EUnited in Diversity IV Conference and to have an exchange in this context.
