**Letter of Support
for PPE+ Training Programme „Strategic
Procurement training for Centralised Procurement
Organisations“**

To Whom It May Concern,

On behalf of The Estonian Information and Communication Technology Centre, I am pleased to express our strong support for **Katri Samarütel's** participation in the **PPE+ training programme: “Strategic Procurement Training for Centralised Procurement Organisations.”**

As a centralised procurement body, we recognize the critical importance of continuous capacity building in strategic procurement to ensure efficiency, innovation, and value for public services. We believe that this training programme will equip Katri Samarütel with valuable insights and tools that will enhance our capability to lead and manage complex procurement processes more effectively.

We also confirm Katri Samarütel's personal commitment to attend the training in full and to actively contribute to the programme. We are confident that her participation will have a positive and lasting impact on our work and support the further development of strategic procurement practices within our organization and beyond.

Should you require any further information, please do not hesitate to contact us.

With best regards,
