Kaitstav loodusobjekt
Ei kuulu Maksalu Vesi OÜ-le. Sujuvuse tagamiseks tõstetakse pinnast, et vältida sademeveevoolu kuhjumist ja kõrgusliku lahendus.
Juhul kui Tallinna-Pärnu-Ikla km 62.2-64.8 Päädera-Orgita lõigu 2+2 maantee ehitusprojekt (tellija: Maksalu Vesi OÜ) ei ole veel ehitatud, peab kraavi ulatuslikult süvendama.
Tingmärgid (head)
Tingmärgid (tänavavalgustus, elektrid, sidid)
