

Guiding questions for the twelfth European Environment and Health Task Force Bureau meeting discussions

Session 3: Draft programme of work for the EHTF for 2024–2025

1. Structure: Would you agree with the overall structure of the draft Programme of Work?
2. Structure: If you have any suggestions on how to improve its organization or flow, feel free to share them.
3. Content: Are there any key areas or themes within the draft Programme that you think require further emphasis or clarification to make a stronger alignment with the objectives of the [Budapest Declaration and its Roadmap to 2030](#)?
4. Resource mobilization: What are your proposals for the recourse mobilization for the activities detailed in the Programme?
5. Focus on youth: How can the Programme better support and amplify youth-led initiatives and activities in your country?

Session 4: Draft agenda of the fourteenth meeting of the EHTF

6. Do you agree with the proposed agenda items?
7. Please share what agenda items are missing, if any?
8. Please suggest ideas for the format of the interactive and dynamic EHTF meeting sessions.

Session 6: Draft information note on the Bonn Dialogues on Environment and Health following the Seventh Ministerial Conference

9. Based on your country's interests, what are the top five topics you think should be prioritized for discussion during the Bonn Dialogues? Please add if you wish to propose additional topics.
10. Which of the proposed Dialogue topics your country would be interested in leading?
