INVITATION TO AN INTERNATIONAL 3 BALTIC STATES INTELLIGENCE SEMINAR

In accordance with the Baltic States Land Forces Cooperation plan for 2024, Lithuanian Land Forces (LLF) conducts the Intelligence Staff Work and Procedures Workshop 2024, scheduled for the period 02-05 December 2024 in Nemenčinė, Lithuania. Travel dates will be 02 and 05 December 2024. Please save the date in your schedule. A formal invitation, including agenda and administration details will be followed in October 2024, along with the administrative order and the requirements to fill out a Personnel Administrative Form (PAF) and provide your security clearance verification.

The seminar will have several aims. The main aim is to exchange intelligence information between 3 Baltic States. Seminar main focus on information collection assets and systems (ground reconnaissance, unmanned aircraft systems, intelligence electronic warfare systems, ground surveillance radars, human intelligence) employment planning from battalion to brigade level. Second purpose is to bring the LLG G2 superiors and partners community together to share best practise and to develop a common understanding of Intelligence Preparation of the Operational Environment (IPOE) as well as facilitate future cooperation.

Seminar training method: short theoretical lectures as well as workshops. The individual topics will be shaped by the recent world – wide and regional security issues. The seminar is designed for trainees with Intelligence training/experience who are assigned or appointed to be on duty in the intelligence branch at battalion or brigade level. Hereby every nation is kindly requested to participate with up to 6 officers/NCOs in the workshop. Over all classification of event will be NATO SECRET.

Point of Contact (POC) for further coordination is MJR (OF-3) Tomas BALSEVIČIUS, LLF HQ G2 Chief of Intelligence plans section, NU: tomas.balsevicius@mil.lt, cell phone +370 678 42277.
