Dear Vahur

Commandant
Brigadier General Vahur Karus
The Estonian Military Academy

Dear Vahur,

On behalf of the National Defence Academy of Latvia (NDAL), I extend my sincere gratitude to you and your esteemed colleagues for your invaluable support during the recent delegation visit to the Estonian Military Academy.

The visit provided an excellent platform for discussions on various crucial topics aimed at enhancing cooperation and collaboration among our institutions regarding the establishment of the Council of Professors of Military Educational Institutions (Academies) of the Baltic States, the development and implementation of a Quality Monitoring System for academic studies, as well as the exchange of valuable experiences.

We are genuinely excited about the prospects of further collaboration and the continuation of these discussions. In this regard, we would like to extend an invitation to representatives from the Estonian Military Academy of Lithuania to visit NDAL on May 9. We believe that this visit will further strengthen the bonds of cooperation between our esteemed institutions and pave the way for meaningful collaborations in the future.

POC regards the visit: CIW Gundega Zande (gundega.zande@mil.lv). Additional information and the initial programme will be sent out in due time.

Once again, we are honoured to welcome your representatives in NDAL and to provide them a mutually beneficial, compelling and active discussions.
