Paris, 22nd March 2024

General,

The Eurosatory 2024 international land and airland defence and security exhibition, organised by COGES, a subsidiary of GICAT (French land defence and security industry association), will be held in the *parc des expositions, Villepinte*, near Paris, from 17th to 21st June 2024.

This international event, placed under the aegis of the Armed Forces Minister, provides the opportunity to meet manufacturers and start-ups from the entire world as well as the public and private stakeholders of Defence and Security.

Aware of your interest for the operational, technical and industrial domains encompassed in this exhibition, I would be glad if you could participate or be represented.

Moreover, it is my pleasure to invite you in the Invalides on Wednesday 19th June, to conclude the Army day of the event.

I kindly ask you to communicate your answer, through the French Embassy in your country, no later than 24th May 2024. In reply, the latter will give you the details of the proposed services in the framework of your participation. A draft personal programme will therefore be sent to you as quickly as possible.

I hope your obligations will enable you to attend this event,

Yours sincerely

General Pierre Schill

The General,

Deputy Commander of the Estonian Defence Forces
