**Chief Justice of the Supreme Court of Estonia**

Dear Mr President,

The Supreme Court of Slovenia is organizing the 13<sup>th</sup> Annual Conference of Best Practices in the Slovenian Judiciary, which will take place at the Brdo Congress Centre, Slovenia on 5 December 2024. The conference will showcase the ongoing efforts of Slovenian courts to enhance their operations and boost efficiency. This includes presenting examples of business process reforms that have improved workflow and court management practices. The focus of this year's event will be on time management (time frames) and ways to ensure the timely administration of justice.

In this context, the Organizing Committee has acknowledged the Estonian judiciary as a model of efficiency, renowned for its implementation of highly effective measures and consistently ranking among the top judicial systems in Europe. We are particularly interested in learning how Estonia has achieved these results, specifically through the implementation of tools for time management in either case-file or court management. We are also interested in understanding the role of Court Presidents in promoting and enforcing time management measures. Insights into the methods and technologies adopted by Estonia in field of court management and -integration of advanced digital solutions that have streamlined processes and improved the overall functionality of the judiciary will be highly valuable for the conference's discussions on enhancing judicial efficiency.

Dear Mr President, I would like to extend an invitation for you to participate as a speaker at the Conference. For organizational purposes, we kindly request that you confirm your participation until Friday, 11 October 2024, at [srsu.vsr@sodisce.si](mailto:srsu.vsr@sodisce.si).
