No. 04/3801 of 13.07.2023

Chisinau, July 13, 2026

Dear Minister Joller,

I would like to express my sincere appreciation for the excellent relations between the Republic of Moldova and the Republic of Estonia, grounded in shared European values, mutual trust and a common commitment to democratic development and social progress.

I also wish to express my appreciation for the constructive dialogue between our countries in the fields of labour and social policy. It was a pleasure to meet you on the margins of the informal meeting of EU Employment and Social Policy Ministers held in Ireland on 6 July 2026 and to exchange views on matters of common interest. I was also pleased to discuss the possibility of continuing our dialogue during your visit to the Republic of Moldova.

The Ministry of Labour and Social Protection highly values Estonia's experience in the development and financing of social services, the inclusion of persons with disabilities, the digitalisation and interoperability of public services, as well as in the field of social security. In the context of the Republic of Moldova's European Union accession process and ongoing reforms, we attach particular importance to further developing dialogue with Estonia and facilitating exchanges of experience between our competent institutions.

Further to our discussion in Ireland, I have the honour to formally invite you to visit the Republic of Moldova at a mutually convenient time. We would be honoured to welcome you to Chișinău for a focused exchange between our respective ministries and would highly value this opportunity to deepen bilateral cooperation and identify practical avenues for future collaboration. The specific dates of the visit may be agreed through our respective teams.

I very much look forward to welcoming you to Chișinău.

Please accept, Minister, the assurances of my highest consideration.

Yours sincerely,

Natalia PLUGARU
Minister
