and SEAC - Nominations by 30 April 2024

Dear Sir/Madam,

With this e-mail, you are invited to (re-)nominate your Member States
representative/s in the European Chemicals Agency's Committees for Risk
Assessment (RAC) and Socio-Economic Analysis (SEAC). The attached letter
and annexes explain the nomination process, documentation required, and
background information on the type of expertise sought for the RAC and
SEAC members.

On behalf of ECHA, we would like to express our encouragement to the
Member State Competent Authorities to continue to support the work of the
members of these bodies, which have a continuously increasing workload.

Yours faithfully,

Roberto Scazzola / Chair of RAC
Maria Ottati / Chair of SEAC
