The World Governments Summit is a unique platform for governments to participate and engage in a global discussion on shaping the future of humanity. Over the past decade, the Summit hosted global leaders such as Hon. Barack Obama, 44th President of the United States, Hon. Narendra Modi, Prime Minister of India, H.E. António Guterres, Secretary-General of the United Nations, H.E. Kristalina Georgieva, Managing Director of the International Monetary Fund, Professor Klaus Schwab, Executive Chairman of the World Economic Forum, Ray Dalio, Elon Musk, Reid Hoffman, and many others.

Furthermore, we would like to invite you to participate as a distinguished panelist at the "Government Services Forum" that will be held at the World Governments Summit 2025. The Forum brings together senior leaders from the public and private sectors from around the world to engage in a dialogue on the future of government services. In its 7th edition, the forum is an exclusive opportunity to strategically connect and converse on a platform engineered to propel shared experiences and challenges into meaningful dialogue and action. The 2025 edition of the forum will focus on numerous topics including human-centric design, the power of data in government services, GovTech Innovation and thinking beyond government digital transformation.

Your presence at this important event will be invaluable in strengthening our joint efforts to advance global priorities. We look forward to your response, and hope to welcome you at the World Governments Summit.

Yours Sincerely,

Omar Sultan Al Olama
