No. 1/0626-136

Your Excellencies,

On behalf of the Baltic Assembly, I hereby inform you that on 29 May 2026 in Pärnu, the Presidium of the Baltic Assembly adopted the Statement “On Holding Russia Accountable for the Consequences of Its Aggression in Europe”. It has been sent out to the parliamentary speakers of the Baltic States, President of the European Parliament Roberta Metsola, President of the European Commission Ursula von der Leyen, President of the European Council António Costa, President of the Parliament of Moldova Igor Grosu, Chairman of the Verkhovna Rada of Ukraine Ruslan Stefanchuk, Speaker of the Parliament of Azerbaijan Sahiba Gafarova, President of the National Assembly of Armenia Alen Simonyan, as well as to the Presidents of the Baltic Sea Parliamentary Conference, the Benelux Parliament, the Nordic Council and the Heads of the British-Irish Parliamentary Assembly.

The members of the Presidium, standing in firm support of Ukraine and holding Russia accountable for the consequences of its aggression in Europe, underline that Russia’s ongoing war of aggression against Ukraine poses a direct and enduring threat to European security, including to NATO’s Eastern Flank, which must be urgently and substantially strengthened, and call on NATO and EU countries to stand united in providing military, political and humanitarian support to Ukraine and resolute against Russia’s attacks, false narratives, and deliberate attempts to deflect responsibility for its crimes and aggression.

Sincerely,

**Agnija Antanoviča**  
Secretary General of the Baltic Assembly
