

Rocksalt OPTO Food Grade, K 0,7 - 0,16 mm, art. 55596

Manufacturer: K+S Minerals and Agriculture GmbH

Origin: Germany

Importer: Andrese Soolaladu OÜ

Shelf life: 3 years after production date (mentioned on package).

Quality

crystalline, white product, optically sorted

The product has been sorted optically. It may contain technical unavoidable amounts of grey to black by minerals.

The product under article 55596 is produced without anti-caking agent.

Chemical Analysis	w	typical	min.	max.	Method
☐ Sodium chloride	[%]	99	98		ASTM E 534-08
☐ Sulphate (SO ₄)	[%]	0.7		1.5	ISO 2480
☐ Calcium (Ca)	[%]	0.3		0.5	ISO 2482
☐ Magnesium (Mg)	[%]	0.02		0.05	ISO 2482

Granulometry

according to EN 1235

	w	typical	min.	max.
☐ > 0.71 mm	[%]	7		20
☐ 0.16 - 0.71 mm	[%]	90	72	
☐ < 0.16 mm	[%]	3		8

Physical properties

		Method
☐ Bulk density	1050 – 1300 kg/m ³	EN 1236

On RequestIodine (added as KIO₃)

EuSalt AS 002

☐ Iodized table salts are iodized in accordance with the legislation of the recipient country.
