Dear Mr President,

In my capacity as Chairwoman of the German Bundestag's Parliamentary Friendship Group for Relations with the Baltic States, I am pleased to invite, pending final approval by the Bundestag President, an all-party delegation of up to six Members of the Riigikogu, accompanied by one member of the administrative staff, to Berlin for a visit from 2 to 4 November 2026. I would be most grateful if parliamentarians from government and opposition who are members of the Friendship Group could be taken into account in the composition of the delegation.

The German Bundestag will cover the costs for accommodation, meals, transport and interpreters during the delegation's visit to Germany.

I hope to be able to welcome a delegation from the Riigikogu to Berlin in November 2026 and would be extremely grateful to you, Mr President, if this visit could take place.

Please let the Parliamentary Friendship Groups secretariat within the administration of the German Bundestag know by 18 September 2026 whether you wish to accept the invitation and which delegation members we can expect (Contact: Ms Louise Klewe, email: louisa.klewe@bundestag.de). Thank you very much.

Yours sincerely,

Sgd. Bettina Hagedorn, Member of the Bundestag
Chairwoman of the Parliamentary Friendship Group for Relations with the Baltic States
