Dear Ms Floriani-Bruhn,

Estonian Ministry of the Interior acknowledges the receipt of the letter ref. Ares(2023)5393252 from 3rd of August 2023.

We do not oppose the disclosure of documents stated in the letter to the European Parliament LIBE Schengen Scrutiny Working Group in order to facilitate their scrutiny work.

However, we would like to draw your attention to the fact that the Annual Implementation Reports of the ISF for the programming period 2014-2020 are documents that according to Estonian law bear the distribution marking which **prohibits their publication to general public or media.**

Sincerely yours,

Tairi Pallas
