## EAO Video games project confirmation

### **Implementation of the Video Games pilot project Formal engagement form to pay a Video Games contribution**

*The document OBS 2025.14 EN Action Plan, governance and budget 2026 for VG project describes the implementation modalities of the video games project and future perspectives.*

*The present form serves the purpose of securing the Video Games contributions for 2026 and (in option) collect pledges in anticipation for the other years of the pilot project.*

#### **Please fill in the following information:**

Member Estonia

Representative Edith Sepp

#### **Please confirm that you took note of the attached document OBS 2025.14 “Action Plan, governance and budget 2026 for VG project”**

☒ I took note of the document OBS 2025.14.

#### **Please confirm your financial contribution to the 3-year pilot project**

Estonia will participate in the funding of the first year of the pilot project in the form of a Video Games contribution up to the amount listed in the annex of the attached document OBS2025.15 “2026 Budget for the VG project”, i.e. EUR **368,75**.

☐ Estonia is also committing to fund the project in 2027.

☒ Estonia is committing to fund the project throughout the pilot phase (2026-2028).

☒ The Video Games contribution should be called separately from Estonia's compulsory contribution. I will communicate the details to the Observatory Secretariat.

#### **Please indicate whom you wish to appoint as the representative of your delegation in the Steering Committee which will oversee the Video Games Project and be responsible for making decisions regarding its activities**

I nominate Karlo Funk

☒ I will communicate the name of the representative to the [Observatory Secretariat](#) at a later stage, but no later than 15 December 2025.
