Re: Invitation to attend the Tallinn Digital Summit, 19-20 November 2024 in Tallinn, Estonia

Dear Minister Riisalo,

I would like to express my sincere gratitude for the invitation to attend the Tallinn Digital Summit, which will take place from November 19 to 20, 2024, in Tallinn, Estonia.

Securing our digital future is of utmost importance. By aligning objectives and strengthening partnerships, we can build a safer and more connected world for future generations. This summit highlights Estonia's significant role in advancing digital transformation on the global stage.

I would have been delighted to attend the summit and engage in discussions on this important topic. However, I regret to inform you that, due to an outgoing visit, I am unable to participate this year.

I wish you a successful summit and fruitful discussions.

Yours sincerely,

Elisabeth MARGUE
Minister delegate to the Prime minister
for Media and Connectivity
