**Early termination of the secondment**

In connection with the termination of employment at the employee's request, I must inform you of the need of an early termination of the secondment of Ms Enel Rand,( ref. DGD24\_0011 (22-01-SLO-A1). Employees last day at her duty will be 14.11.2025. However, Estonia would like to retain the option of appointing a new liaison officer to ensure smooth and up-to-date information exchange, and we have started consultations with the ministry and ANSP on that matter

Yours sincerely
