**Invitation to informal media ministers'  
meeting**

Dear colleague,

Thank you very much for your kind invitation to the informal meeting of media ministers in Copenhagen on 3–4 November 2025. I very much appreciate the initiative of the Danish Presidency to highlight the importance of culture and media in safeguarding European values and strengthening democratic resilience.

Unfortunately, I will not be able to attend the meeting on this occasion. Nevertheless, Estonia will be represented by the Secretary General of the Ministry of Culture, Ms Kristiina Alliksaar, Adviser on EU Affairs, Ms Kadri Jauram and the Cultural Attaché from the Estonian Permanent Representation to the EU in Brussels, Ms Heili Jõe.

I wish you every success in hosting this important gathering and fruitful discussions among colleagues.

Yours sincerely,

(signed digitally)

Minister
