Dear Sir/Madam,

REQUEST FOR DATA ON GHANAIAANS LIVING IN ESTONIA

On behalf of the **Association of Ghanaians in Estonia (AGiE)**, I wish to apply for data on the number and composition of Ghanaian nationals legally living in Estonia.

AGiE is a non-governmental and nonprofit body in Estonia which aims, among other things, to promote and assist members to better adjust and integrate into Estonian Society.

Could you please assist The Association with data on:

1. total count of Ghanaian nationals legally resident in Estonia?
 - a. how many are on study permits/visas?
 - b. how many are on work permits?
 - c. how many have TRPs to settle permanently?
 - d. how many have permanent residency
 - e. how many have TRPs for settling with their spouses or any other family reasons?
 - f. how many are currently here on visit with either C type or D type visas?
2. how many Estonian citizens are of Ghanaian descent (originally Ghanaian nationals)?

Thank you in advance for your assistance.

Best regards,
Emmanuel Attu
