Minister of Justice and Digital Affairs of the Republic of Estonia  
Tallinn, Estonia

**Invitation letter to the ADV e-Government Conference 2025**

Dear Ms. Liisa-Ly Pakosta,

as president and general secretary of ADV – Austrian Digital Value it is our pleasure to invite you to participate in this prestigious event, taking place on June 3-4, 2025, at Vienna Airport Conference & Innovation Center, Austria. The conference will be held in cooperation with the Austrian government, highlighting our strong commitment to fostering innovation in digital government.

The ADV e-Government Conference is a leading platform for dialogue and collaboration among political leaders, managers in public administration, policymakers, industry leaders, and experts in digital transformation. The 2025 edition will address the evolving expectations of state institutions and services, calling for a fundamental rethinking of organizational structures and processes by digitalization in public administration.

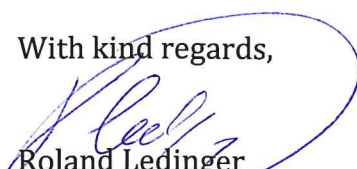

We would be honored by your presence as a keynote speaker and our guest at the conference. Your expertise in advancing digital and justice affairs in Estonia would provide invaluable insights to the event's participants.

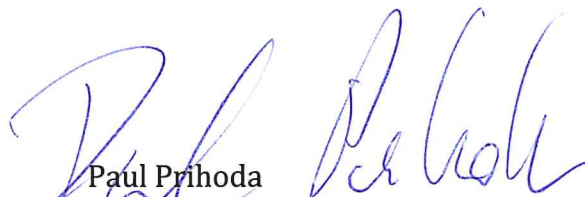

We kindly request your office to confirm your availability to facilitate the planning of the conference program.

This invitation is sent with the support of the Austrian government and through the Estonian Embassy in Vienna. For further details, please contact the organizing committee or the Estonian Embassy.

We sincerely hope to be able to welcome you to the ADV e-Government Conference 2025 and look forward to your positive response.

With kind regards,

  
Roland Ledinger  
ADV President
