SUBJECT: Inquiry Regarding DPO Designation with Your Authority

Dear Sir/Madam,

I hope this message finds you well. I am contacting you regarding the designation of a Data Protection Officer (DPO) with your authority.

The Lawways law firm, which I represent, was officially designated as DPO before the French Data Privacy Authority (Commission Nationale de l'Informatique et des Libertés – CNIL) on January 23, 2025, on behalf of one of our clients, an international software company.

As our client also conducts business in Estonia, I would appreciate your guidance on the following matters:

- Could you please confirm whether the designation must necessarily be submitted to your authority in Estonian language? If not, would it be acceptable to proceed in English?
- Furthermore, it appears that the designation may be completed via the E-Business Register by a board member. Otherwise, it seems that the appointing entity must submit a separate notice directly to the Data Protection Inspectorate. Could you please provide further clarification on these procedures and direct me to the appropriate contact person?

I would be grateful for any information you could provide on this matter.

Yours sincerely,

Maître Gilles ROUVIER
Avocat au Barreau de Paris
