On behalf of the CEPT Presidency I am sending you the 2026 invoice for your country's contribution to CEPT, under Article 10 of the CEPT Arrangement.

The invoice covers routine support from the Office for 2026. This figure is calculated based on manpower costs and overheads as agreed at the 2009 Assembly, ref. Doc. CEPT Assembly XO(09)04, EUR 37 500 ~ DKK 280 000, and aligned to inflation.

The price per unit is for 2026 including inflation set at DKK 997 ~ EUR 133.

We anticipate that next year's invoice will include also only routine support from the Office.

Please note the deadline for payment is **28th February 2026**.

Yours faithfully,

Thomas Ewers

Director, ECO, on behalf of the CEPT Presidency.
