Dear Dr. Ildikó Éva Sopov,

Please accept my warm congratulations on your election as Chair of the Committee on European Affairs of the Országgyűlés. I would like to wish you continued success, particularly in your highly responsible and at the same time creatively demanding work.

I am looking forward to our cooperation within the framework of COSAC and beyond, to discuss the key challenges facing the European Union and to deepen the dialogue between our parliaments.

I would also appreciate the opportunity to meet with you one-on-one during the upcoming COSAC Chairpersons' meeting in Dublin for an exchange of views on our shared priorities.

Yours sincerely,

Peeter Tali
