No. 339

The Embassy of Romania in Tallinn presents its compliments to the Ministry of Economy and Industry of the Republic of Estonia and has the honour to convey the attached invitation addressed to H.E. Mr. Erkki Keldo, Minister of Economy and Industry, by H.E. Mr. Ambrozie-Irineu Darău, Minister of Economy, Digitalization, Entrepreneurship and Tourism, to attend the *Black Sea Defense and Aerospace Exhibition & Conference – BSDA 2026*, which will take place between 13 – 15 May 2026 in Bucharest.

The Embassy of Romania in Tallinn avails itself of this opportunity to renew to the Ministry of Economy and Industry of the Republic of Estonia the assurances of its highest consideration.

Tallinn, 29 April 2026

To: Ministry of Economy and Industry of the Republic of Estonia

Cc: Ministry of Foreign Affairs of the Republic of Estonia

- Department for European Affairs

TALLINN

**MINISTERUL ECONOMIEI, DIGITALIZĂRII,
ANTREPRENORIATULUI ȘI TURISMULUI**

Bucharest, 27th of April 2026

Mr. Erkki KELDO
Minister of Economy and Industry
Republic of Estonia

Your Excellency,

It is my privilege to acknowledge the good bilateral relations and cooperation tradition between our countries. We value the long-standing partnership with the Republic of Estonia, which can be certified with tangible results in all the areas of competence that our ministry is responsible for. Out of those, the defense industry comes to mind as a field of strategic importance, for both our countries' security operations, given the current geopolitical context.

As such, I would like to invite you to join me for this year's Black Sea Defense and Aerospace Exhibition & Conference - BSDA 2026, the international exhibition and conference dedicated to the defense field.

This year's event will occur between 13th-15th of May, 2026, on the premises of the ROMAERO Complex, in Bucharest, Romania. I want to highlight that this year's event holds a special meaning as it will mark the 20th anniversary of BSDA and will take place under the High Patronage of the President of Romania.

Since 2007, BSDA has grown and developed steadily, becoming today the most important event of its kind in Eastern Europe and a leading global exhibition platform. Representatives of national defense and security institutions from across the globe are given the possibility to engage directly with nearly all the world's leading defense-profile companies. The event covers exhibitors with a large portfolio of technological solutions and innovations dedicated to all five operational domains of the defense industry: land, naval, air, cyber and space.

It is my heartfelt wish that you would join me for this event, the perfect place to enhance the collaboration between our countries and to discuss how Romania and the Republic of Estonia can continue to shape a future driven by defense industry expertise.

Please accept the assurance of my highest consideration

Sincerely,

Ambrozie-Irineu DARĂU
Minister of Economy, Digitalization, Entrepreneurship and Tourism
