

The diagram illustrates a road construction site layout. On the left side, a yellow rectangular sign with a black border and a black silhouette of a person digging with a shovel is positioned. Below it, the text "KAABLIIPAIGALDUS", "Firstel Group OÜ", and "Tel. 555 5555" is written. To the left of this sign is a red circular sign with a white border and the number "70". Further left is a red circular sign with a white border and the number "90". To the right of the "70" sign is a yellow rectangular sign with a black border and a black silhouette of a person digging with a shovel. Below it, the text "KAABLIIPAIGALDUS", "Firstel Group OÜ", and "Tel. 555 5555" is written. To the right of this sign is a red circular sign with a white border and the number "70". Further right is a red circular sign with a white border and the number "90". In the center, a white rectangular sign with a black border and the text "Tööriistade" is positioned. To its right is a yellow rectangular sign with a black border and a black silhouette of a person digging with a shovel. Below it, the text "KAABLIIPAIGALDUS", "Firstel Group OÜ", and "Tel. 555 5555" is written. To the right of this sign is a red circular sign with a white border and the number "70". Further right is a red circular sign with a white border and the number "90". On the right side, a yellow rectangular sign with a black border and a black silhouette of a person digging with a shovel is positioned. Below it, the text "KAABLIIPAIGALDUS", "Firstel Group OÜ", and "Tel. 555 5555" is written. To the right of this sign is a red circular sign with a white border and the number "70". Further right is a red circular sign with a white border and the number "90". At the bottom, a yellow rectangular sign with a black border and a black silhouette of a person digging with a shovel is positioned. Below it, the text "KAABLIIPAIGALDUS", "Firstel Group OÜ", and "Tel. 555 5555" is written. To the right of this sign is a red circular sign with a white border and the number "70". Further right is a red circular sign with a white border and the number "90".

1. Muud olemasolevad liikluskülmärgid, mis lähevad vastuollu antud ajutise ehitusaegse liikluskülmärgiga, tuleb kinnikatta.
2. Vajadusel korrigeerida liikluskülmärgi töötajal olukorra kohaseks.
3. Vajadusel lisada objektile täiendavaid liikluskülmärke.
4. Ajutised ehitusaegsed liikluskülmärgid tuleb paigaldada nii, et nad on liiklejale üheselt mõistetavad ja arusaadavad.
5. Tagada kogu ehitustööde vältel ajutiste liikluskülmärkide püstiolek ja loetavus.
6. Joonistat kogu ehitustööd numbreid järgi.
