

## Annex II

### **Instructions for submitting the application**

1. **For the first application wave**, Member States are requested to submit the applications not later than 12:00 (midday) Central European Time on **6 June 2025**. **No extension of the deadline is possible. Applications submitted after the deadline will be considered in the second application wave.**

It is highly recommended that candidate laboratories send their applications to their Member States no later than 12:00 (midday) Central European Time on 15 April 2025.

2. **For the second application wave**, Member States are requested to submit the applications not later than 12:00 (midday) Central European Time on **15 April 2026**. **No extension of the deadline is possible. Applications submitted after the deadline will not be considered.**

It is highly recommended that candidate laboratories send their applications to their Member States no later than 12:00 (midday) Central European Time on 15 January 2026.

3. Member States must carefully follow the instructions in this call.
4. Only applications submitted by the Member States or the European Commission's Joint Research Centre (JRC) and for which they have verified the compliance with selection criteria will be considered.
5. Member States or the JRC must complete and submit the following documents:
  - Application form (Annex III or Annex IV)
  - Visa section Declaration on honour regarding exclusion criteria (Annex V)
  - Visa section of Declaration of independence of the candidate laboratory (Annex VII)
  - Template for verification of compliance with selection criteria (Annex X)
  - Confirmation of the Member States regarding the performance of tasks in the public interest and in an independent manner (Annex XI)

In addition, Member States are responsible for submitting the supporting documents referred to in sections 3 and 4 of this call, as prepared by the candidate laboratories. Supporting documents for the selection criteria in section 3 are requested at the initial application stage, by the above deadline. Supporting documents for the preference criteria in section 4 might be requested by the European Commission at a later stage and only in case of need.

6. The application must be submitted electronically via Secure CIRCABC. Each Member State will have its own dedicated folder in the relevant Secure CIRCABC Interest Group. Individual Member State representatives will need to have a personal EU Login account<sup>1</sup> that will be granted for accessing this folder. To nominate up to 3 Member States representatives for access to the CIRCABC Interest group, please send an email to: JRC-
