Administration

Dear Directors, Dear Friends,

I have been informed that during the last CEDR Governing Board meeting in Riga, you indicated that you are planning to visit Poland in August 2026. I am a staunch supporter of cooperation between road administrations and see it as an engine for development and, in particular, for improving the safety and comfort of road users. With reference to exchange of information between our colleagues, I consider, that this is excellent opportunity for organisation of wider meeting among road administrations of Latvia, Estonia, Lithuania and Poland. I truly support the initiative of the meeting and will do my best to make these plans a reality.

Therefore, I am pleased to invite you to a meeting on Friday, August 28, 2026, at the headquarters of GDDKiA in Warsaw. I am keen to ensure that the format of the meeting will be satisfactory to all. I therefore encourage you to discuss the agenda for the meeting. Depending on your preferences, we can include topics from all areas of interest.

I believe that this meeting will be a valuable forum for deepening the dialogue between the Baltic States in the field of road engineering and developing active cooperation

between our road administrations. I strongly believe that it will result in strengthening our professional performance, increased awareness in many areas and practical recommendations for the road sector.

I would appreciate your acceptance of the invitation. The programme and details of the meeting can be arranged through working contacts between our colleagues.

Yours sincerely

p.o. GENERALNY DYREKTOR
