Uzbekistan delegation visit request

Dear Mr Rajanov

Thank you for your letter and for your interest in Estonian practices.

We confirm that we are able to receive your delegation as proposed on 15 September 2026 and can arrange a 1.5–2 hour meeting in the morning, however, we would kindly ask you to consider holding the meeting on the morning of 14 September instead, as all relevant sector experts will be available then. That timing would allow us to provide broader and more detailed input on legislation, the Civil Society Development Plan mechanism, and state-CSO cooperation practices.

Please let us know which date suits you, and provide a contact person and telephone/email for further arrangements. We remain ready to accommodate your schedule as needed.

Yours Sincerely,

Häli Allas

Head of the religious affairs and civil society
department
