Subject: EMSA participation in the exercise PUHAS MERI 2025

Dear Commander Värk,

Following your invitation to the pollution response exercise PUHAS MERI, to be held 3-4 June in the Gulf of Finland, near the port of Muuga, the Agency hereby confirms its participation. In accordance with your request, we will join the exercise during both days (at sea and port open day) with the EMSA contracted vessel *Vingaren*, based in Frederikshavn, Denmark.

EMSA contact point for the operational matters related to the exercise will be Mr George Suciu, Project Officer Unit 1.1 Sustainability, telephone +351 211 214 696, email: george.suciu@emsa.europa.eu.

I look forward to continuing the fruitful cooperation between the Agency and the Estonian Navy on marine pollution response and other related issues.

Yours sincerely,

Maja Markovčić Kostelac
Executive Director
