Dear Minister,

Thank you for your letter and for the kind invitation to visit Poland.

Strengthening cooperation between Estonia and Poland remains a key priority for us. As close allies, it is essential that we act in unity and stand by one another in these globally challenging times, particularly while Russia's full-scale war against Ukraine continues. Both this war of aggression and many other recent developments have posed serious strains to international law and to the world order that has prevailed over the past decades. Close coordination and solidarity among allies are more important than ever.

Cooperation within the field of justice is an important priority, and the functioning of our legal systems in accordance with shared principles is of great significance for both our countries.

Thank you once again for the invitation. At this juncture I am regrettably unable to confirm a possible timeframe for a visit, but I would welcome the opportunity to give this further consideration in due course.

Please accept, Dear Minister, the assurances of my highest consideration.

Liisa-Ly Pakosta  
Minister of Justice and Digital Affairs
