### Letter of Support

I sincerely appreciate your kind words and I am pleased to hear that our cooperation has been valuable in enhancing your capability development. The Estonian Navy remains committed to supporting your ongoing efforts of developing minelaying capability.

I welcome your participation in our upcoming mine laying courses and will coordinate to ensure your inclusion in the next available session. Additionally, we will arrange for a our mine laying specialist to visit the Liepaja Navy Base to provide the requested expertise and assistance with minefield calculations.

I am looking forward to continuing our strong partnership and working closely together to advance our shared goals.
