**Appointing focal point for the process of
Structured Water Dialogue**

Dear Mr Eric Mamer,

Thank you for informing us of the plans of DG Environment to launch the Structured Water Dialogue with Estonia in the coming year. We highly appreciate the European Commission's initiative to strengthen the implementation of EU water legislation and to enhance water resilience across the Union.

We welcome this opportunity for close cooperation under the Structured Water Dialogue process and look forward to the forthcoming stages, including the preparatory technical meetings planned for 2026.

Hereby, we are pleased to appoint Mrs Reeda Iismaa, Head of River Basin Management, Water Department, Ministry of Climate, as the focal point for the next stage of this process. She can be contacted at reedaa.iismaa@kliimaministeerium.ee

We look forward to continuing our constructive collaboration in this important initiative.

Sincerely Yours,

(signed digitally)
Kristjan Truu
Deputy Secretary General for
Maritime Affairs and Aquatic Environment
