You don't often get email from kenty.dubois@est.edu.ee. [Learn why this is important](#)

Hello,

I am contacting you as the Eco-school coordinator for Tallinn European School.

I have read on your website that it was possible to do tree planting through RMK. I was wondering if it could be possible to do it for our school. I have been thinking that it would be nice to have an event that could include our students, staffs and parents.

I wanted to know if the tree planting was hold at the specific date or if the dates were flexible. I am also curious about the cost.

Regards,  
Kenty
