BAKU, AZERBAIJAN

February 2026

Ref.: BEW-2026/02

**Mr. Erkki Keldo,  
Minister of Economy and Industry of the Republic of Estonia**

**Dear Mr. Keldo,**

We are pleased to invite you to the 31<sup>st</sup> Baku Energy Week, the Caspian region's leading international energy exhibition and forum, to be held on 1–3 June 2026 in Baku, Azerbaijan.

For more than three decades, this event has served as an important platform for leaders, innovators, and partners to discuss the future of energy in a spirit of collaboration and exchange. We look forward to welcoming you into this dynamic atmosphere.

Traditionally, Baku Energy Week is inaugurated by H.E. Mr. Ilham Aliyev, the President of the Republic of Azerbaijan, underscoring the high-level nature and significance of the event.

Baku Energy Week 2026 will feature:

- The 31<sup>st</sup> International Caspian Oil & Gas Exhibition, showcasing the latest technologies and solutions in the oil and gas sector.
- The 14<sup>th</sup> Caspian International Clean Energy Exhibition – Caspian Power, focusing on renewable energy, energy efficiency, and sustainable solutions.
- The 31<sup>st</sup> Baku Energy Forum, a high-level platform to discuss strategic energy trends and regional cooperation.

Azerbaijan has firmly established itself as a strategic transit and energy hub, located at the crossroads of major international corridors. With the successful operation of the Southern Gas Corridor and well established export routes, Azerbaijan continues to ensure reliable energy supplies to global markets. The development of the Trump Route for International Peace and Prosperity (TRIPP) will further strengthen country's role as a vital link between Europe and Asia, connecting markets and supporting the global energy transition through new infrastructure and advanced logistics.

Beyond traditional energy, Azerbaijan is also implementing an ambitious green energy transition, developing renewable energy projects, reducing carbon emissions, and fostering innovations to ensure a sustainable and balanced energy future.

We warmly invite you to participate in Baku Energy Week 2026 - a unique opportunity to engage in meaningful discussions, build strategic partnerships, and contribute to shaping the

future of the global energy sector. The Opening Ceremony of Baku Energy Week and the ministerial opening of the Baku Energy Forum will take place on 1 June 2026.

Baku, a city renowned for its hospitality and vibrant culture, looks forward to welcoming you into its dynamic environment, offering an unforgettable experience alongside high-level dialogue and networking opportunities.

Please save the date - 1–3 June 2026. We look forward to welcoming you to Baku for this influential and prestigious gathering.
