Launch of Conformity Clearance following audit mission n° 20-SM1-EE-SYS request of extension for replying

Dear Ms Pall,

Dear Ms Paal,

Dear Mr Kasper,

I refer to the letter of 26.4.2023 sent by your Minister of Interior (No 14-8.7/1167-2 - ARES (2023)3130990) asking for an extension of two months to reply to our letter (ref. Ares(2023)2313583 of 30.3.2023) that announced the start of a conformity clearance for the financial years 2017, 2018 and 2019 of AMIF and ISF, following audit mission n° 20-SM1-EE-SYS.

The requested extension for your reply is agreed. We also agree on organising an informal preparatory online meeting and welcome an additional in-person meeting to further discuss this file. Ms Orru, the desk officer for Estonia, will contact you or your colleagues in the coming weeks for the organisation of the meetings concerned.

Yours sincerely,

Silvia Michellini
Director
