**Communication:** Communication on projects is a strategically planned process that starts at the outset of the action and continues throughout its entire lifetime, aimed at promoting the action and its results. It requires strategic and targeted measures for communicating about (i) the action and (ii) its results to a multitude of audiences, including the media and the public and possibly engaging in a two-way exchange.

\*\* We would advise to give clear guidance of what we expect. It would be very specific Key performance indicators similar to what is suggested by DG COMM for our corporate communication <https://myintracomm.ec.europa.eu/corp/comm/Evaluation/SiteAssets/Pages/Do-You-Need-Methodological-Guidance/Communication%20Network%20indicators%20.pdf>
