Minister  
Ministry of Social Affairs  
Republic of Estonia

Dear Madam Minister,

On behalf of the people and government of Taiwan, I wish to express my heartfelt appreciation for your steadfast support of Taiwan's participation in the World Health Assembly (WHA). Your principled and courageous remarks at this year's WHA Plenary have deeply resonated with us and are profoundly valued.

Your inspiring words have energized like-minded democracies to proudly stand together, actively promoting positive reform and greater transparency within the World Health Organization. We are deeply moved by the strong endorsement from the Estonian Government and Parliament. This vital support beautifully demonstrates the blossoming friendship and excellent, enduring relations between our two nations.

Please accept the assurances of my highest consideration. I wish you, Madam Minister, and your family continued health, happiness, and every success in the days ahead.

Sincerely yours,
