**Subject:** RE: Load cell calibration

Dear Roger,

We kindly ask you to submit a formal quotation for the calibration of the TLL-2K load cell p/n 49900-890.

Please note our conditions below and we kindly ask you to include the turnaround time on or with the quotation.

Payment terms: 15 days net or longer

Invoice: by email or through e-invoicing portal upon completion of the work

Turnaround time: 15 days or less

Shipping: arranged by the Estonian Police and Border Guard Board both ways.

Please submit your formal quotation by end of business 24.10.2025.

The tool is available for immediate dispatch on completion of the formal small purchase procedure and a formal purchase order for the work will also be submitted.

Best regards,

**Alex Lamus**
