Sir,

The head of the IHEMI would like to thank you sincerely for doing us the honour of speaking on 19 March 2025 as part of the 7th *Cycle Supérieur d'Intelligence Artificielle* on the subject of 'European cooperation in artificial intelligence'.

The quality of your expertise and the richness of the discussions were particularly appreciated by all the delegation's listeners and really contributed to the success of this meeting. Once again, we would like to express our gratitude.

We would also like to express our gratitude to Mr Kuldar Aas, program Manager for Data Management, Mr Veiko Aunapuu, product manager for AI components and Mr. Allar Laaneleht, project manager for Bürokratt services in AI and Data Unit, for their valuable contributions and the quality of their presentations.

We look forward to hearing from you again.

Yours sincerely.
