Estonia**

H.E. Dr. Ali bin Masoud Al Sunaidy
Federal Minister for Economic Affairs and Climate Action

Tallinn, 6th June
6-4/1627-1

Dear Minister,

I would like to extend my sincere wishes of good health and success to you and the people of the Sultanate of Oman. As the Minister of Economic Affairs and Information Technology, I am delighted to see that Estonia and Oman are both very open to innovation and broad technology application. I would be keen on strengthening our bilateral relations and cooperation to advance digitalization.

With that in mind, I would like to extend my invitation to you to visit Estonia in order to exchange the experience in the field of digital development and personal government. It would also be good opportunities as well as meet with our public and private sector representatives who have been our close partners through the digital journey. I would be glad to facilitate the visit at the time of your convenience. I kindly suggest that you would let us know your preferred dates as soon as possible. One option you might wish to consider would be Tallinn Digital Summit 2024 on November 19-20 that gives us an opportunity to gain unique insights from the global leaders of the public sector and tech community.

I am looking forward to welcoming you in Estonia.

Yours sincerely,

Tiit Riisalo
Minister for Economic Affairs and Information Technology
