Invitation to participate at Opinion Festival on 10 August

Dear Ambassador George Kent,

We are honored to invite you to participate in a panel discussion at the Arvamusfestival (Opinion Festival) in Paide on August 10th. The panel, titled "Estonia's 20 Years as a NATO Member – What's Next?", will be moderated by the Permanent Secretary of the Ministry of Defence, Mr. Kusti Salm, and is scheduled to begin at 16:00.

The panel will explore Estonia's role within NATO over the past two decades and discuss future directions for our alliance. Your insights and perspectives as the U.S. Ambassador to Estonia would be invaluable to this discussion.

Joining the panel will be UK Ambassador to Estonia Ross Allen, representative of the French Embassy in Estonia (to be confirmed), and journalist Joosep Värk, who recently served as the Estonian Public Broadcasting correspondent in Brussels.

Further details will be provided as the event approaches, and the preparation for the discussion will be coordinated in collaboration with the U.S. Embassy in Estonia and the Strategic Communications Department of the Ministry of Defence.

We sincerely hope you will be able to join us for this important and timely conversation.

Yours sincerely

Thomas Mell
Director of Strategic Communications Department
