## Definitions for organisation types

### **Academia, Research Institutes and Think Tanks**

Universities, schools, research centers, think tanks and other similar bodies performing academic and/or educational activities.

### **Banks/Financial institutions**

Banks and other similar bodies providing financial services, including financial intermediation. All sorts of banks should be classified within this category, including national central banks.

### **Companies/groups**

Individual companies or groups of companies operating in the business sector, whether they are national companies or multinational ones.

### **Law firms**

Business entities formed by one or more lawyers to engage in the practice of law. The primary service rendered by a law firm is to advise clients (individuals or corporations) about their legal rights and responsibilities, and to represent clients in civil or criminal cases, business transactions, and other matters in which legal advice and other assistance are sought.

### **NGOs**

Non-profit organisations which are independent from public authorities and commercial organisations. Some NGOs are organised around specific issues, such as environment, consumer affairs, health and human rights.

### **Professionals' associations**

Non-profit organisations seeking to further the interests of individuals engaged in a particular profession, such as physicians, nurses, architects, engineers and lawyers. Professionals' associations are different from business associations, as they promote and defend the interests of individuals carrying on a specific profession, not the interests of companies operating in the business sector.

### **Professional consultancies**

Firms carrying on, on behalf of clients, activities involving advocacy, lobbying, promotion, public affairs and relations with public authorities.

### **Trade and business associations**

Private bodies representing the interests of its members operating in the business sector.

### **Trade unions**

Organisations of workers. The most common activities performed by trade unions include the negotiation of wages, work rules, rules governing hiring, firing and promotion of workers.

## Other organisations

Organisations which are not possible to classify in any other category.

To be filled in by organisations applying to be appointed as Type C members

The applicant shall represent the following **interest**: (*please select one or more options, taking into account the definitions indicated below*):

- ☐ a) Academia/Research
- ☐ b) Civil society
- ☐ c) Employees/Workers
- ☐ d) Finance
- ☐ e) Industry
- ☐ f) Professionals
- ☐ g) SMEs
- ☒ h) Other (please specify): Public authority – Independent Charging Body representing the general public interest in railway infrastructure charging.

### Definitions for interests represented

#### **Academia/Research**

Universities, schools, research centers, think tanks and other similar bodies performing academic and/or educational activities.

#### **Civil society**

Civil society can be defined as the aggregate of non-governmental organisations and institutions that manifest interests and will of citizens or as individuals and organisations in a society which are independent of the government.

#### **Employees/workers**

Individuals working part-time or full-time under a contract of employment whether oral or written, express or implied, and having recognised rights and duties.

#### **Finance**

The management of revenues or the conduct or transaction of money matters, as in the fields of banking, insurance and investment.

#### **Industry**

Companies and groups of companies whose number of employees and turnover or balance sheet total are higher than the ones of SMEs (see below).

## Professionals

Individuals operating in a particular profession, such as physicians, nurses, architects, engineers and lawyers.

## SMEs

"SME" stands for small and medium-sized enterprises – as defined in EU law: [EU recommendation 2003/361](#) .

The main factors determining whether a company is an SME are:

1. **number of employees** and
2. either **turnover** or **balance sheet total**.

Company category Employees Turnover or Balance sheet total

Medium-sized	< 250	≤ € 50 m	≤ € 43 m
--------------	-------	----------	----------

Small	< 50	≤ € 10 m	≤ € 10 m
-------	------	----------	----------

Micro	< 10	≤ € 2 m	≤ € 2 m
-------	------	---------	---------

These ceilings apply to the figures for individual firms only. A firm which is part of larger grouping may need to include employee/turnover/balance sheet data from that grouping too.

## Other interest

Interest which is not possible to classify in any other category.
