INVITATION TO THE EU INVESTMENT CONFERENCE “ES+U” IN VILNIUS

Dear Minister, *dear Jürgen,*

It is my honour to extend to you a personal invitation to the second **EU Investments Conference “ES+U”**, which will take place on **25 September 2025** at Compensa Concert Hall in Vilnius, Lithuania.

The **EU Investments Conference “ES+U”** brings together policymakers, investors and stakeholders to exchange insights on strategies for sustainable growth, regional development and effective use of EU investments. The event, with around 1,000 participants expected to attend both in person and online, will serve as a platform for engaging discussions and networking opportunities. It is designed to inspire and encourage potential beneficiaries, project promoters, businesses and active citizens to take part in shaping the future through the EU-funded initiatives.

I am honoured to announce the participation of Mr. Raffaele Fitto, Executive Vice-President for Cohesion and Reforms, along with other high-level representatives from the European Commission.

I would like to cordially invite you to participate in the high-level opening panel discussion at the Conference to share your prospects for the new Cohesion Policy programming period and the challenges fuelled by the war in Ukraine. The geopolitical shifts of recent years - especially Russia's aggression against Ukraine - have introduced significant challenges, particularly for the Member States bordering the aggressor countries. The Member States such as Estonia, Finland, Latvia, Lithuania and Poland have experienced the acute impact on their communities, economies and businesses.
